## SOMETHING LOOKS DIFFERENT!

You may have noticed some changes in the classrooms lately in regards to room arrangement, classroom materials, and nap mats. We are undergoing a new rating with Colorado Shines. Colorado Shines is a quality initiative that we participate in, which assists us in providing the best care and environment possible for your children.

## SUMMER CAMP IS ALMOST FULL!

If you intend on your child joining us for Summer Camp this year, you need to sign up right away. There only a few spaces left, and they are first come, first serve. Please see a member of the office management team to sign up, or get more information.

## Some Housekeeping

### Cubbies

Children's cubbies are getting awfully full. We are limited on space for the children's personal belongings, so we are asking that families supply their children with a small blanket for rest times, and to keep toys and other items from home to a minimum.

### Extra Clothes

Your child should have a change of seasonally appropriate clothes kept here at school. Please check your child's cubby to ensure they have a change of clothes, a pair of shoes, and that they still fit.

### Sunscreen

It is getting very sunny outside, and in order to keep children safe, we need to apply sunscreen to them prior to outside play times. Please check with your classroom teacher to make sure your child has sunscreen at school, and that the appropriate permission slip has been turned in.

## Do you bring food to school?

Since our center does not serve breakfast, we allow families to bring food for their children in the mornings. We would like to remind families, that our center is a nut-free school due to staff and children having severe allergies. Please make sure to check the labels on the food your children bring to school. Also, please keep in mind that licensing has very strict guidelines regarding what types of meals and snacks children are allowed to consume while in a childcare setting. Please try to avoid bringing things like candy, cookies, and sodas, if at all possible. If you have any questions or concerns, feel free to talk to your child's teacher, or ask a member of the office management team.
