

Three Bears Learning Center

Family Newsletter- February 2018

Reminder!

Our center will be CLOSED on Monday, February 19th, 2018 for teacher in-service.

Please note that tuition is still due on Mondays, and considered late on Wednesdays at noon.

Kindergarten Round-up

is Thursday 2/22 from 5:00 to 6:00pm, in the Kindergarten classroom. Please join us to get more information about our private Kindergarten program.

Please, Please, Please...

We are asking again that families please bring and use door cards for access into the building. This is for the safety of the children enrolled at our center, and also as a convenience for our families, as there is not always someone available to open the door.

If you need a new door card, please see an office staff member. Replacement and additional door cards are \$10 each.

Weather Closures

While we are seldom on a delayed schedule or closed due to weather, it can and does happen from time to time. To check, please visit our website at www.threebearslearning.com, or on 9News.

Upcoming Fundraiser!

Our annual Butter Braid fundraiser is quickly approaching. The fundraiser will be held in March, and the funds raised will go towards Family style dining materials, books for classrooms, and outdoor learning environment equipment.

Family Newsletter Continued...

The Results are in!

In January we asked families to complete a survey that would help to improve our school through Colorado Shines. We want to do the best job possible based on best practices for the children, the families and the community at large. Your survey responses will help us develop goals to accomplish this.

We learned that 60% of families would like information on developmental guidelines of children from birth through age 8.

We value parent participation and 53% would like to have a Parent Advisory Committee (PAC). And that the committee would meet twice a year (46%) on a Friday (32%)

Families also wanted supports for Social and Emotional Development provided by Aurora Mental Health (60%)

In the area of outdoor improvements 46% were willing to help out with fundraising.

These surveys will help us improve the quality of our program for children, families and members of the community.

Thank you!

We know you have choices when it comes to care for your children. We just want to thank all of our wonderful families for choosing Three Bears! We hope you all enjoyed School Choice Week!

Summer Camp Registration is Coming!

Summer camp registration will begin in March. Spaces are limited and will fill up VERY FAST. Please keep in mind, that Kindergarten and School-Age children must be registered for Summer Camp in order to attend.
